

# LEATHER OPTIONS

## NEW CLUB

New Club is a fully corrected, top grain leather made from premium hides. Finished with a protective coat to enhance the durability and consistency, while still giving the leather a rich grain appearance and soft touch. Due to the natural characteristics of the leather, grain and color may vary.

TYPE: Protected  
THICKNESS: 1.4-1.6mm  
AVAILABLE IN: Splits, All Top Grain, and Leather Vinyl (exceptions noted)
